

Represent your organization's values with diversity, equity, & inclusion training

Diversity, equity, and inclusion (DEI) is a growing priority in most companies, but how do you create a training program that goes beyond "checking the box" to drive organizational change? With OpenSesame's catalog and services, together we can create an effective DEI training program for your learners.

How OpenSesame can help

Hundreds of highly curated courses to drive every DEI talent development program

Continuous course updates to keep pace with evolving training needs

Curation services to help you choose courses to meet your DEI training goals

Supplemental materials to strengthen and reinforce learning for maximized retention

82% 
of surveyed organizations

said their training program's diversity of DEI course offerings (formats, styles) improved, as a result of using OpenSesame's DEI courses.

"I would recommend OpenSesame for diversity, equity and inclusion or any training topic. I am able to track engagement, offer options that appeal to the masses, and multiple languages to appease our multi-state operations."

- Lindsay Blair, LMS Course & Program Manager, Schluter Systems
